

To say the least, ZONER'S PIZZA, WINGS AND WAFFLES had an extraordinary Grand opening event that welcomed countless hungry patrons from the Katy area, several of our very own Cane Island families, and one very special guest.

The family owned pizza company opened a beautiful new restaurant located at 25810 Westheimer Parkway, which is in the new Marcel shopping center. The owners provided a full array of many of their great tasting, custom made pizzas that range from their amazing Taco pizza, to their Meat Lover's and much more. The restaurant uses all fresh ingredients and toppings, and they have their own dough recipe which is made fresh daily. Their smoked wings are a must, and you should try their dry rub (which I'll admit is the best I've ever tasted). They have numerous salads, sandwiches, calzones and Stromboli's, and they top it all off with fantastic desserts, including the heavenly New York cheesecake waffle sandwich and the half-baked chocolate chip cookies! The menu is divided into different Zones! Baked, Smoked, Tossed, Famous and Sweet...just take your pick!

To make the event even more incredible, their celebrity guest whom we all know and admire signed autographs and took photos with an endless line of fans and patrons for more than 4 hours. That man was of course none other than famous number 34 Herschel Walker, Heisman trophy winner and former Dallas Cowboy. Herschel and his mother created the waffle recipe that the restaurant uses, and I promise it tastes as good as any Belgium waffle one can buy. You can choose a variety of drizzles for your waffle to include blueberry, vanilla crème, dark chocolate truffle, blackberry, raspberry and more! After dining on their tasty wings or a wonderful delicious pizza, you'll want to try Herschel's famous waffle (and probably take a couple home for later).

ZONER'S PIZZA, WINGS AND WAFFLES is involved in our Cane Island and Katy communities with various sponsorships and support of local and neighborhood projects, as well as hiring many of our young high school students, giving them their very first jobs. They are open each day at 11 am for lunch and close at 10 pm Sunday through Thursday and stay open on weekends till 11 pm. The restaurant delivers and caters special events and parties.

You can place your order on line at [Zonerskaty.com](http://Zonerskaty.com) or call 346-351-2922.

And YES, they deliver to Cane Island!!!

A large thank you to the Zoner's staff, all of the Cane Island residents in attendance, and of course the Big Man #34, who all made this night one to remember.

Cheers,  
Stephen Gibbons
